

RUSSIAN RIVER VINEYARDS

2024 Petersen Stainless Steel Chardonnay

Description:

A standout in our collection, this Chardonnay is one of the few aged in stainless steel and has consistently been a fan favorite at RRV year after year. The vibrant aromas of tropical fruits like guava, pineapple, and citrus leap from the glass with every swirl. On the palate, it's lush and rich, perfectly balanced by a bright, lively acidity. A wine destined to become a summertime favorite.
