

RUSSIAN RIVER VINEYARDS

2022 Petersen Stainless Steel Chardonnay

Description:

One of our few wines aged in stainless steel, this Chardonnay has been a fan favorite at RRV vintage after vintage. The lively tropical fruit aromas of guava, pineapple, and citrus jump out of the glass with every swirl. This Chardonnay is lush and rich on the palate, balanced by bright and vibrant acidity. Destined to be a summertime favorite.

Appellation:

Russian River Valley, Sebastopol Hills Neighborhood
